### WEAPONS PURCHASED

\*The dramatic increase in weapon purchases in 1999 can be attributed to the federal statute requiring background checks on long guns (rifle and shotguns), being implemented in November 1998.

There were 12,179 requests to purchase weapons during the second quarter of 2001. 346 requests were denied. The tables on the following page reflect transfer requests by county, and the reason purchases were denied.
